

VINELAND'S FIVE STAR AWARD FOR EXCELLENCE IN FOOD PROTECTION

WHAT IS VINELAND'S FIVE STAR AWARD?

Vineland's Five Star Award is recognition of those food establishments that go beyond minimal code requirements and exhibit exceptional efforts in sanitation and food safety techniques. We believe it is important to publicly thank those outstanding facilities for their hard work.

WHO IS SPONSORING THIS AWARD?

The awards will be given by a joint sub-committee of the Vineland Chamber of Commerce and the Vineland Health Department.

WHO IS ELIGIBLE FOR THE AWARD?

The criteria are as follows:

1. The facility must have received only "Satisfactory" ratings during the past year. The facility must excel in those areas of food safety practices that have proven to directly reduce the occurrence of foodborne illnesses such as in cooking, cooling, reheating, and personal hygiene.
2. No confirmed foodborne illness has occurred at your establishment during the past year.
3. At least one manager or employee must be a currently "certified foodhandler" by the Vineland Health Department or a similar agency. Vineland certifications are good for 3 years.
4. An extra effort must be made towards food safety. (Please see attached for examples of acceptable efforts.) Records must be available to document these efforts.

Note: The Health Dept. Inspector will nominate your establishment if you qualify.

WHEN WILL THE AWARDS BE GIVEN?

The awards will be presented every year in January or February (for the previous year's performance) at a special ceremony. If you win, you will receive a special invitation to the ceremony.

WHAT IS THE BENEFIT OF VINELAND'S FIVE STAR AWARD TO YOU?

We will provide free publicity in at least two (2) local papers concerning the award and the winners. A mounted certificate will be presented to you for public display at your establishment. Food safety and sanitation mean alot to the public. This award could mean an increase in business for you.

2006 Five Star Award Winners

NAME OF ESTABLISHMENT	ADDRESS	QUALIFIED?	CONSEC. YEARS	TOTAL YRS	Risk Type
Central Kitchen	688 N. Mill Rd	yes	1	1	3
